## ADK presents two scholarships

By Carolyn Tilley

You have heard of "little but mighty", and that rather expresses the ability of a very small group of educators. For many years now the Beta Gamma Chapter of Alpha Delta Kappa Educational Sorority has been able to give scholarships to students going into education. This group of women of less than 25 members raises money each year for two \$1000 scholarships. Alpha Delta Kappa is an international honorary organization of women

educators dedicated to educational excellence, altruism, and world understanding. Our members come from Lancaster, the county schools, and the some from the nearby area. For scholarship applicants they reach out to this county and the surrounding schools.

This year our first scholarship was presented to Chloe Aronowitz who is currently a sophomore at Otterbein University pursuing a degree in Primary Education. She is active in organizations at the university Greek Life, Cardinal Corp

Service Group, Otterbein Student Alumni Board and also works at Otterbein Office of Events and Conferences. As a part of Cardinal Corp, Chloe co-leads a program called American Reads at a local elementary school. Volunteers in the program aid in tutoring a group of third graders in language arts. This is the second year Chloe has received this scholarship from the group.

Natalie England is the group's second winner for this

## Rushville and surrounding community blood donations help the Red Cross

By Dan Jones

A blood drive was hosted by the Rushville Lions Club at the Clubhouse on May 17th and the collection was done by the American Red Cross. This was a perfect example of people giving

back selflessly to their community and country. These blood donations will help save lives not only locally but contribute to the nationwide need for blood.

Local businesses supporting the effort by providing door prizes were as follows: King's Grand Central, Bob Evans, and Frisch's Big Boy. Winners of the door prizes were: Jennifer Henery, Mike Mathias, and Marie Sofreed. Members of the Rushville Lions donating were: Brian Irwin, Sally Grimm,

Lowell Fisher, Dan Jones, Terry Holder and Mike Roach.

The next blood mobile visit will be held on July 19 from 1:00-7:00 p.m. at the Rushville Lions Club.

# Penny Wasem named 2022 Rotarian of the Year

Penny Wasem, Rotarian of the Year Recipient (middle), with Rotary President Laura Tussing and Wasem's husband, Eric Hubbard. submitted

Lancaster, Ohio – Penny Wasem, Lancaster Rotary Club member, received the 2022 Richard A. Benadum Rotarian of the Year Award on Monday, May 16th at the club's meeting.

The award honors Dick Benadum, who has served the Club for more than 60 years and embodies the ideals of Rotary's Four Way Test. The recipient of this year's award demonstrates the Rotary's motto of "Service Above Self" and serves the community through the principles of the Rotary.

Wasem has been a member of the Club for more than 30 years and has continued to make an impact in the organization and with her fellow Rotarians. During her time in the Lancaster Rotary Club, Wasem has served as president and been a part of numerous committees including the chaplain committee, the music committee, and the literacy committee. She also served as a

Rotary board member. Wasem is also a multiple-time Paul Harris Fellow, a designation given to a Rotarian contributing \$1,000 to the Rotary International Foundation. While serving as the Club's president, she began purchasing books that honored knowledgeable Rotary speakers, which were then presented to the Forest Rose Library each week. Over the past 12 years, she has found hundreds of books that represent Rotary Speakers and have enhanced the school's library. In addition to her involvement in several committees and past presidency, Wasem has volunteered to direct the Rotary Christmas Choir for many years.

"Penny has continuously made the Club a priority in her life through attendance at club meetings and being quick to say 'yes' to any requests from fellow Rotarians," said Judy Root, Fellow Rotarian. "She not only

puts the Rotary Four Way Test into action in her life, but also in her business. She is an ideal Rotarian who inspires others to be the same."

The Rotary Club of Lancaster is part of Rotary International, the world's first service club organization, with more than 1.2 million members in 33,000 clubs worldwide. Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self. The Lancaster Rotary Club is comprised of approximately 140 business and community leaders and professionals who meet weekly for programs, networking, and friendship on Mondays at noon. ## Millersport Lions Club fun facts

1946-1947 Charter Pres.  
E. H. "Doc" Fahl submitted

The very first president of the Millersport Lions Club was Elwood "Doc" Fahl, owner of the Millersport Rexall Pharmacy, which today is the site of Hometown Hotdog, owned by Lion Kim Oxley.

During the time period that the Sweet Corn Festival was held on the streets of Millersport, the back room of the pharmacy served as the Festival Office.

From 1946 until 1958, the Lions Club held their club meetings in the old Millersport Methodist Church that was demolished in 2021 to make room for the new Millersport Coffee building.

From 1958 - 1968, club meetings were held in the former Millersport Fire Department building on Lancaster Street.

Past President Clyde Haight, father of Past President Dina Keller and grandfather of Lion Jessica Slater, designed and supervised the construction of the new Lions Clubhouse in 1968. It immediately became the center of activity for the community and a new stage was built outside the south doors and occupied the site until 1988 when the Brookover-Harlow Pavilion was erected. Demolition of the old stage allowed for the Powers Addition to the Lions Clubhouse in 1992.

Now you know where the Millersport Lions Club has gathered and functioned for the past 75 years!

# Millersport honors American heroes on Memorial Day

By Vincent Popo

Certain holidays hold different memories for different people. I

enjoy all of the holidays that are celebrated in our country but Memorial Day holds a special place in my heart and as I have gotten

older it means more to me. As the son of a veteran, my father Leo L Popo landed at Normandy; my Uncle Darold "Curly" Gilmore

survived the attack on Pearl Harbor and Uncle Ed DeSantis and Tony Popo's naval deployments during WWII make Memorial Day sacred to me. My uncles Nick and John Angiulo also served in the army during the 1950's as well as my father-in-law, Bill Cobb. All of these men are special to me and will live forever in my heart and soul.

To me, Memorial Day is the day to remember not only our loved ones that survived warfare but the young men and women who never got a chance to reach adulthood and never had the opportunity to have families and live a productive life post military.

When the village took over the cemetery I embraced the opportunity to oversee its maintenance and to coordinate the Memorial Day Parade and to honor our veterans. Because my extended family that are veterans are not buried in the same cemetery, it is difficult for me to honor them in person. I hope by honoring the veterans in the Millersport cemetery I also honor my father, my uncles and my father-in-law.

The Millersport Cemetery is a microcosm of thousands of cemeteries across our country. Buried in our little cemetery we have veterans from The Civil War, Spanish-American War, WWI, WWII, Korea, Vietnam, Iraq and Afghanistan. It is a reminder that there are men and women all over the United States that are ready and willing to answer the call of duty

when they are needed to preserve and protect liberty, freedom and the American way of life. My family very rarely talked about their tours of duty simply saying they did what was needed to be done.

I would like to thank the following people for making this Memorial Day Parade a success. First, Suzy Peters, Amber Hetteberg, Angela Centofanti and Donna Holycross for helping organize the event. Second, Carol Kitzmiller with help of the Commodore Bank crew, Shana, Joe and Kara, for the Bike Decorating contest. Third, the Millersport Community Theater for singing the National Anthem. Fourth, the Millersport Sign Club and the Band for their performance. Fifth, Ruth Crutcher and Pastor Jim Condrey for speaking. Sixth, Tom Brown, Judy Azeltine, Cindy Condrey, Tamara Parker-Stephens (and Lion Club members) and Kylee Lines for displaying crosses, flags and cleaning grass off the tombstone pedestals. Special thanks go to Mayor Gary Matheny, Gilbert Arnold and Dan Phelps for mowing and trimming the cemetery.

A shout of super appreciation goes to Gilbert and Dan for creating the "Flag" wagon to transport the American Legion to the ceremony. It is a piece of patriotic art.

Debbi and I have chosen to live in Walnut Township and Lieb's Island is our adopted home and we believe an extraordinary place to live for the above reasons.

# Come walk/run with your best friend to end canine cancer & sarcoma

by Amy Carpenter, Ph.D.

Dear Hank,

*I wanted to do some fun things this summer with my kids and my dogs and I was wondering what you would suggest. There aren't a lot of places that I can do fun things with both my kids and my fur babies. I want to include my dog because he is part of our family and he loves to go fun places with us too!*

Sincerely,  
Kid and Dog Mom

Kid and Dog Mom,

That's a great question! You could bring your kids and dogs to my annual race this summer on Saturday, July 9th at the Fairfield County Fairgrounds. The money raised at the event will help the Hank Kabel Sarcoma Foundation continue their mission of raising money and awareness for canine cancer and sarcoma.

Canine cancer and sarcoma are diseases the Hank Kabel Sarcoma Foundation is trying to bring awareness to and raise money for. According to the Veterinary Diagnostics Institute (2012) cancer is the leading non accidental cause of death in dogs, with 1 in 3 dogs being diagnosed with cancer in their lifetime and 50% dying from the disease.

According to the Sarcoma Alliance (an organization that provides guidance, education, and

support to those affected by sarcoma) sarcoma is a rare cancer of the connective tissue. Connective tissue includes soft tissue and bone. Sarcoma can occur in any location. Although sarcoma represents only about 1 percent of adult cancers, it represents approximately 15 percent of pediatric cancers. The Sarcoma Alliance website (2015) cites Stephen Withrow, professor of surgical oncology at Colorado State University and the founding director of the Flint Animal Cancer Center, who shares that sarcoma is five times more common in dogs than humans (with children being the 2nd most common to dogs to get sarcoma). The website shares that by treating dogs with cancer, veterinarians gain important insights into improving treatments for humans.

At the 2022 Hank Kabel Sarcoma 5K Walk/Run participants will be able to walk/run a 5K and the first 100 runners to sign up will receive a bag of goodies. Runners who sign up early will receive a \$5 discount. Participants will get to purchase raffle baskets and interact with various vendors like Fido, Hair of the Dog, Paparazzi Jewelry, Bon's Creations, the Fairfield County Sheriff's Office and the Lancaster Police Department, along with many others. There will also be informational speakers such as FireDog Oakley, bed bug dog Hank the Tank, and Search and Rescue K9 Sasha, along with other speakers who will share the wonderful things dogs do to improve our lives.

**The schedule for the 2022 Hank Kabel Sarcoma 5K Walk/Run and Fest includes:**

7:30-8:30 Registration  
8:30 Opening Ceremony  
9:00 Race  
10:00-10:30 Awards  
10:30-1:00 Speakers

Kick off for the race will begin at Hank's bench on the Rising Park side of the fairgrounds. That's where the 2023 "Around Town With Dogs" calendar will be unveiled and available for purchase for \$15. This calendar will showcase local businesses who do things for dogs. If you are interested in doing a \$100 ad in the calendar or have any race questions, you can contact Amy Carpenter at [alckphd@gmail.com](mailto:alckphd@gmail.com).

If you would like to learn more about the signs of canine cancer and sarcoma or about the Hank Kabel Sarcoma Foundation and the 2022 Hank Kabel Sarcoma 5K Walk/Run, you can go to [www.hankkabelsarcomafoundation.com](http://www.hankkabelsarcomafoundation.com) or can follow them on Facebook. If you would like to make a donation, you can write a check to the Hank Kabel Sarcoma

Foundation and mail to 1108 Coventry Circle Lancaster, Ohio 43130.

Thanks for the great question!

Sincerely, HANK
